

Patio Cooler

PORTABLE REFRIGERATOR

Patio Cooler holds:

- 72 12-oz. cans or
- 48 12-oz bottles or
- 26 750ml wine bottles

...or any combination!

Entertain with ease, no matter what the setting, with the Patio Cooler from Comfort-Aire! You'll find a multitude of uses for this handy, temperature-controlled portable cooler, from home to office to dorm

Simply roll the Patio Cooler wherever you need it, plug it in, and chilled beverages are right at hand.

You don't have to buy bags of ice or deal with containers of icy water in order to keep beverages cool. Two wire baskets hold cans or bottles and lift out of the cooler for convenient loading or serving.

The Patio Cooler is an attractive addition to your party or gathering, whether formal or casual. The exterior is sleek stainless steel for a modern look, and the durable white interior is easy to clean.

Two collapsible polymer shelves are handy for serving; both shelves and bottle holders are detachable

Transparent lift-off lid lets you see what's inside; two wire baskets that stack inside can be lifted out

Ball bearing casters roll easily, even over rough surfaces

Digital read-out clearly shows the temperature inside the Patio Cooler
