

HEAT CONTROLLER, INC.

Limited Product Warranty RAH "G" Series

LIMITED ONE-YEAR PARTS WARRANTY

All components are warranted to be free from defects when installed per Heat Controller, Inc., installation instructions and in accordance with all local, state and national codes for typical room air conditioners and heat pumps. Heat Controller, Inc., will provide a free component to replace one which becomes defective during the one-year warranty period. The replacement may be either new or rebuilt. We, through our authorized distributor, will supply the replacement part; you must pay all associated transportation, installation and service charges.

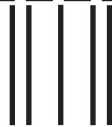

LIMITED 2nd THROUGH 5th YEAR WARRANTY

The standard one year limited warranty stated above is supplemented with a second through fifth year compressor warranty. This warranty covers the compressor only which proves to be defective due to materials or workmanship. The Company's obligation under this Limited Warranty does not include diagnostic time, shipping, labor, or any transportation or re-installation charges that may be required.

WHAT IS NOT COVERED BY THE WARRANTY

- Normal maintenance
- Labor charges
- Transportation charges for replacement parts
- Replacement of refrigerant or filters
- Any other service calls or repairs
- Damage resulting from accident, abuse or misuse
- Acts of God

DURATION OF WARRANTY—REGISTRATION CARD

The warranty begins on the date of purchase by original consumer. The consumer must complete and return the warranty registration card or register the purchase at www.heatcontroller.com and provide a receipted bill of sale as proof of warranty period. Without proof of purchase date, the warranty begins on the date of shipment from the factory.

This limited warranty gives you specific rights and you may have other rights which vary from state to state. Heat Controller does not authorize any person to create for it any other obligations or liability in connection with its products. **Except as specifically provided herein, there are no warranties, express or implied, which extend beyond the description in this document. Heat Controller makes no warranty of merchantability with respect to this product and makes no warranty that this product is fit for any particular purpose.**

GENERAL CONDITIONS

The warranties described in this document are void if the Company's equipment has been damaged, misused, installed in a corrosive atmosphere, subjected to abnormal use or service, or its serial numbers have been altered, defaced or removed, or payment for the equipment is in default. The Company is not responsible for service to correct conditions due to misapplications, improper installation, inadequate wiring, incorrect voltage conditions or unauthorized opening of the refrigeration circuit, or for consequential damages. If the Company's equipment is installed in conjunction with cabinets, grilles, louvers, controls or other parts manufactured by other companies, these warranties apply only to the Heat Controller manufactured portion of the equipment.

If you have a warranty claim, notify your installer promptly. If he doesn't take care of your claim, write to Heat Controller, Inc., P.O. Box 1089, Jackson, Michigan 49204. Enclose a report of inspection by your installer or service person. Be sure to include model number, serial number and date of purchase. This warranty applies only to the original owner and only to products installed in the United States and Canada.

Repair or replacement of defective parts is the exclusive remedy under this written limited warranty and any implied warranty. Heat Controller shall not be liable for incidental or consequential damages resulting from breach of this written limited warranty or any implied warranty. Some states do not allow limitation on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not be applied to you.
