HEAT CONTROLLER, INC.

Limited Product Warranty
80% and 90% Gas Furnaces

LIMITED FIVE YEAR PARTS WARRANTY

All parts of the GM-, GL- and GT- Series Gas Furnaces are warranted to be free from defects for normal use and service for 5 years from the date of purchase by the original consumer for the original single-family residential application when installed per Heat Controller, Inc., installation instructions and in accordance with all local, state and national codes.

LIMITED SEVEN YEAR EXTENDED WARRANTY

In addition, all parts are warranted for an additional seven years (for a total of 12 years) to the original owner for the original single family residential installation, when the unit and any A/C or heat pump that is part of the system is installed as an ARI-matched system with Heat Controller components *PROVIDING* the unit is properly registered with Heat Controller within 90 days of the purchase. Without registration, the parts warranty reverts to **five years** as described above.

HEAT EXCHANGER WARRANTY

90% Gas Furnaces: The Primary Heat Exchanger and Secondary Heat Exchanger are warranted to the original owner for his/her lifetime. For any subsequent owner of the property where the unit is installed, the Primary and Secondary Heat Exchangers are warranted for 20 years from date of original furnace purchase.

80% Gas Furnace: The Heat Exchanger is warranted for 20 years to the original owner in the original residential installation.

For non-residential applications, the Heat Exchanger(s) of the 90% and 80% Gas Furnaces are warranted for 10 years; all other parts are warranted for one year from date of purchase.

Warranties apply when unit is installed according to HCI instructions and all applicable codes.

EXCEPTIONS

The warranty does not cover normal maintenance, labor charges, transportation charges for replacement parts, replacement of filters, or any other service calls/repairs. Ready access to the unit for service is the owner's responsibility.

Owner responsibilities are set forth in the instruction manual—read it carefully.

DURATION OF WARRANTY/REGISTRATION

The warranty begins on the date of purchase by the original consumer. The consumer must complete and return the warranty registration card or register at www.heatcontroller.com within 90 days of purchase, and provide a receipted bill of sale as proof of warranty period. Without this proof, the warranty begins on date of shipment from the factory and reverts to the lesser period of the warranty.

1. There are no other express or implied warranties. Any description of this unit is only to identify it and is not a warranty that the unit fits the description. Heat Controller makes no warranty of merchantability. We do not warrant that the unit is suitable for any particular purpose or can be used in buildings or rooms of any particular size or condition except as specifically provided in this document. There are no other warranties, express or implied, which extend beyond the description in this document.
2. All warranties implied by law are limited in duration to the five-year term of the parts warranty. Your exclusive remedy is limited to the replacement of defective parts or compressor. **We will not be liable for any damages caused by any defect in this unit.**
   Some states do not allow limitation on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusions may not apply to you.
3. No warranties are made for units sold outside the continental United States and Canada. Your distributor or final seller may provide a warranty on units sold outside these areas.
4. We will not be liable for delays caused by events beyond our control including accident, alteration, abuse, war, government restrictions, strikes, fire, flood, or other acts of God.
5. The sole remedy is replacement of the defective part. If replacement parts are required within the period of this warranty, Heat Controller, Inc., replacement parts shall be used; any warranty on the replacement parts shall not affect the original unit warranty.

HOW TO OBTAIN WARRANTY SERVICE OR PARTS

If you have a warranty claim, notify your installer promptly. If he doesn't take care of your claim, write to Heat Controller, P.O. Box 1089, Jackson MI 49204. Enclose a report of inspection by your installer or service person. Include model number, serial number, and date of purchase.
