LIMITED EXPRESS WARRANTY - HWCG AIR HANDLERS

Congratulations on purchasing your new HVAC equipment. It has been designed for long life and reliable service, and is backed by one of the strongest warranties in the industry. Your unit automatically qualifies for the warranty coverage listed below, provided you keep your proof of purchase (receipt) for the equipment and meet the warranty conditions.

LIMITED SIX (6) YEAR PARTS EXPRESS WARRANTY

All parts are warranted to be free from defects in workmanship and materials for normal residential use and maintenance for six (6) years from the date of purchase by the original consumer for the original residential installation, when the air handler is installed in a non-AHRI matched system. This Limited Express Warranty applies only when the air handler is installed per Comfort-Aire/Century installation instructions and in accordance with all local, state and national codes for normal residential use.

MATCHED SYSTEM LIMITED EXPRESS WARRANTY

When the air handler is installed as part of a residential AHRI-matched system with a Comfort-Aire/Century air conditioning condenser or heat pump, the condenser or heat pump warranty applies to the air handler under normal use and maintenance. Refer to the condenser or heat pump warranty for details, and register the product within 60 days of the purchase for the AHRI-matched system warranty.

EXCEPTIONS

The Limited Express Warranty does not cover normal maintenance—Comfort-Aire/Century recommends that regular inspection/maintenance be performed according to the Installation/Operation/Maintenance Manual. Additionally, labor charges, transportation charges for replacement parts, replacement of refrigerant or filters, any other service calls/repairs are not covered by this Limited Express Warranty. It also does not cover any portion or component of the system that is not supplied by Comfort-Aire/Century, regardless of the cause of failure of such portion or component. Purchasers in Florida, California, Quebec, and any other jurisdiction that prohibits registration requirements to effectuate warranties (1) have no registration requirement and automatically receive the default extended warranty applicable to your equipment, if any, and (2) the failure to register your equipment does not diminish your warranty coverage.

DURATION OF WARRANTY & REGISTRATION

The warranty begins on the date of purchase by the original consumer. The original consumer must register at www.heatcontroller.com within 60 days of purchase. **The original consumer must retain a receipted bill of sale as proof of warranty period. To receive the AHRI-matched system warranty, also retain proof of the AHRI-matched system installation (part numbers, serial numbers, purchase and installation dates).** Without this proof, the warranty begins on date of shipment from the factory and reverts to the Six-Year Limited Express Parts Warranty.

REMEDY PROVIDED BY THE LIMITED EXPRESS WARRANTY

The sole remedy under the Limited Warranty is replacement of the defective part. If replacement parts are required within the period of this warranty, Comfort-Aire/Century replacement parts shall be used; any warranty on the replacement part(s) shall not affect the applicable original unit warranty. Labor to diagnose and replace the defective part is not covered by this Limited Express Warranty. Access to the unit for service is the owner's responsibility. If for any reason the replacement part/product is no longer available during the warranty period, Comfort-Aire/Century shall have the right to allow a credit in the amount of the current suggested retail price of the part/product instead of providing repair or replacement.

LIMITATION OF LIABILITY

1. **EXCLUSION OF ALL IMPLIED WARRANTIES AND LIMITATION. There are no other express or implied warranties. Comfort-Aire/Century makes no warranty of merchantability.** We do not warrant that the unit is suitable for any particular purpose or can be used in buildings or rooms of any particular size or condition except as specifically provided in this document. There are no other warranties, express or implied, which extend beyond the description in this document.
2. All warranties implied by law are limited in duration to the six-year term of the non-AHRI matched system Parts Warranty. Your exclusive remedy is limited to the replacement of defective parts. **We will not be liable for any consequential or incidental damages caused by any defect in this unit.**
3. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. Some states do not allow limitation on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.
4. No warranties are made for units sold outside the continental United States and Canada. Your distributor or final seller may provide a warranty on units sold outside these areas.
5. Comfort-Aire/Century will not be liable for damages if our performance regarding warranty resolution is delayed by events beyond our control including accident, alteration, abuse, war, government restrictions, strikes, fire, flood, or other acts of God.
